## Summary

Began my journey in frontend development through an internship that transitioned into a full-time role, focusing on building interactive, responsive, and accessible web applications with modern technologies.

My current work involves creating user-focused digital experiences, optimizing performance, and ensuring accessibility. Beyond coding, I leverage leadership, teamwork, and communication skills gained from university activities and four semesters as a teaching assistant. I remain committed to continuous learning and staying updated with the latest trends in web development.

## Experience

- Frontend Web Developer (Internship → Full-time)
  - Built and maintained interactive and responsive web applications.
  - Optimized performance and ensured accessibility.
  - Collaborated with teams to deliver user-focused features.
- Lecturer Assistant – Faculty of Fisheries, Pekalongan University
  - Supported practical classes for four semesters.
  - Assisted in material preparation and student guidance.

## Education

Bachelor of Fisheries — Pekalongan University | GPA: 3.81 | Sep 2019 – Sep 2023

- Active in UKM Menwa (Student Regiment), trained in discipline, punctuality, and resilience.
